During the registration process you will be asked to quote your unique SYFA ID.

The Council reserves the right to refuse any application for the hiring of a Facility without being required to give any reason for such refusal.

Any team found to be using any pitch or venue a booking either for a match or training will be charged full price for usage. It is the team/club/organisations responsibility to check if week-day pitches are on during times of inclement weather. To protect the playing surfaces, the maximum number of games to be played on a pitch in any week will be decided by a Council Officer and his decision will be final but this will also be dependent on weather and other conditions.

Occasional extensions during the above period may be allowed at the discretion of East Renfrewshire Council's Parks Section, subject to the club/organisation providing at least three working days notice prior to the date of the fixture.

Please note, extensions will only be permitted in exceptional cases – for example, where the team/club/organisation is involved in a cup tie where rules require extra time in the event of a drawn game.

All grass and synthetic pitches can be booked up to four weeks in advance by teams who have been granted a block booking.

Teams who have a block booking, with East Renfrewshire Council, can book weekend fixtures up until the close of business on Tuesday (Collection Halls at Barrhead and

Eastwood close at 4.15pm and call centres for phone calls at 4.45pm). From Wednesday morning (Collection Halls at Barrhead and Eastwood open at 9am, and call centres for phone calls open at 8.45am) any registered team can book pitches.

The cut off time for weekend booking is 2pm on Friday. Where there is a public holiday Friday, the cut off for weekend bookings is 2pm on Thursday.

The relevant booking confirmation e-mail/permit should be printed off and made available for inspection at the request of the pavilion attendant on duty. Alternatively, a booking reference number should be quoted. Failure to produce this paperwork/quote this reference will result in the relevant team being unable to access council facilities.

4B. Block Bookings – VAT exemption

In accordance with HMRC rules, the letting of sports and physical recreation facilities for a series of sessions the supply is exempt when all the following conditions are met:

Step	Condition
1	The series consists of 10 or more sessions.
2	Each session is for the same sport or activity.
3	Each session is in the same place. This condition is still met where a different pitch, court or lane is used (or a different number of pitches, courts or lanes), as long as these are at the same establishment)..
4	The interval between each session is at least 1 day but not more than 14 days (for an interval to be at least 1 day, 24 hours must elapse between the start of each session). The duration of the sessions may be varied. There is no exception for intervals greater than 14 days through the closure of the facility for any reason.
5	The series is to be paid for as a whole and there is written evidence to the fact. This must include evidence that payment is to be made in full whether or not the right to use the facility for any specific session is actually exercised. Provision for a refund given by the provider in the event of the unforeseen non-availability of their facility would not affect this condition.
6	The facilities are let out to a school, club, association or an organisation representing affiliated clubs or constituent associations, such as a local league.
7	The person to whom the facilities are let has exclusive use of them during the sessions.

If the above conditions are not met in full the booking will be subject to VAT at the standard rate.

To clarify on the above;

- a) A Customer cannot amend or receive a refund for the booking once placed
- b) If a refund is requested then the whole series would become subject to VAT and a club would be invoiced accordingly.
- c) As per the above once the booking is made, if the governing body switches the fixture a "booking credit" shall be offered. This "booking credit" can be used for the rearranged fixture. Booking credits cannot be used to offset invoices and cannot be refunded.
- d) If the booking is cancelled by the council due to an unforeseen event for example a waterlogged pitch then a refund can be offered without losing the VAT exemption.
- e) For other late call offs a booking credit may be issued dependant on the circumstances as with current practice.
- f) If the lessee makes a variation to increase the duration of the let, VAT will be chargeable on the extra time booked. If the variation is to decrease duration, entitlement to the VAT exception shall remain provided no refund is given. Likewise additional one of sessions will be invoiced with VAT.

Requests for block bookings can be made during the registration process or direct to Cleansing and Parks Department (0141 577 3618), once registration process is complete.

On receipt of your block booking request the Parks section will allocate pitches to your team/club/organisation. Parks section will e-mail you a confirmation permit once processed.

The confirmation permit should be printed off and made available for inspection at the request of the pavilion attendant on duty. Failure to produce this paperwork may result in the relevant team being denied use of the council facilities.

Where a team/club/organisation are allocated a series of lets they must contact their appropriate league, advising them of the dates they have been allocated and requesting home fixtures on these allocated dates.

Payments for block bookings are made via direct debit. Payments are made a minimum of twenty-one days in arrears and will include any additional one off bookings or cancellations.

Payment for block bookings is collected on or immediately after the 21st of each month. Monthly statements are sent to each team contact and club contact (if applicable) by 11th of each month.

If a direct debit is returned unpaid an e-mail notification will be sent to the team contact and club contact (if applicable). The team/club/organisation will then be given five working days to make payment otherwise their future lets will be suspended until such times as the outstanding debt has been cleared.

Please note, if a direct debit is returned unpaid more than once within the Season an administration fee of £50.00 will apply on each occasion thereafter to each bank account that fails to have sufficient funds in their account on appointed day of collection (i.e. on or immediately after the 21st of each month)

East Renfrewshire Council reserves the right to cancel any block booking if any team/club/organisation should have their direct debit returned unpaid on three or more occasions. The team/club/organisation will only be permitted to make one off bookings, where payment with VAT is taken in advance of the date of let (refer to section 5 for information).

5. One off or additional bookings/cancellations

All one off or additional bookings/cancellations are made via Customer Services Department (0141 577 3008). Here, you must quote your unique member ID which is allocated to your team after the registration process is complete.

If you are a registered club but do not have a block booking agreement with East Renfrewshire Council you will have to pay for your booking, in advance, by debit card when phoning to make the booking or alternatively in cash at one of our collection halls – Main Street, Barrhead or Eastwood Headquarters, Rouken Glen Road, Giffnock. **Cheques will not be accepted as payment for one off bookings.**

7. Cancellation of Booking(s) - BY THE MEMBER (I.E. TEAM/CLUB/ORGANISATION)

Any group/team/club/organisations not requiring an allocated let must advise East Renfrewshire Council at least two clear working days prior to the date of the let otherwise the full cost of the booking is due.

For example: any weekend fixture should be cancelled by 4.45pm on the Wednesday prior to the let. Where there is a public holiday Friday, cancellations must be made by 4.45pm on the Tuesday prior to the let.

A review of lets allocated to a team/club/organisation may be undertaken by East Renfrewshire Council's Parks Section if the said team constantly leave cancelling lets until last minute, thus denying other teams/clubs/organisations use of facilities.

7B. Cancellation of Booking(s) - BY EAST RENFREWSHIRE COUNCIL

Weekend fixtures – grass pitches

The decision as to whether a pitch is ON or OFF rests solely with East Renfrewshire Council. All pitches will now be inspected on a Friday afternoon and the information will be made available on ERC's website, Facebook and Twitter page.

If a pitch is deemed OFF on a Friday, and we are able to accommodate let(s) at an alternate venue, the main contact of relevant group/team/club/organisation will be contacted.

If a pitch is declared OFF by ERC on a Friday then this pitch will remain OFF for the entire weekend.

If a pitch is declared ON by ERC on a Friday and weather conditions change overnight, then it is the responsibility of the home team to organise a 'Match Day Inspection' in order to confirm whether their let should go ahead. This inspection should be undertaken by an authorised match official.

It is the responsibility of each team/club/organisation to contact East Renfrewshire Council via website, Facebook or Twitter after 4pm on a Friday to ascertain whether pitches are ON or OFF. This decision will refer to both Saturday and Sunday fixtures.

Where the booking is cancelled by the Council (e.g. the pitch is declared OFF), the club will not be charged for the let.

We ask that teams adopt a common sense approach when deciding if a match should be played. The condition of the pitch should be considered not only before the match but what condition the pitch could be in after a match has been played. This decision can determine if a pitch is fit to use for the whole season or if it has to be closed for part of the season to let repair work be carried out and let the pitch recover from damage to the playing surface.

Weekend fixtures – synthetic pitches
