

EAST RENFREWSHIRE COUNCIL

CABINET

29 September 2016

Report by the Chief Financial Officer

GENERAL FUND CAPITAL PROGRAMME

**PURPOSE OF REPORT**

1. The purpose of this report is to monitor expenditure as at 7 September 2016 against the approved Capital Programme for 2016/17 and to recommend adjustments where necessary.

**RECOMMENDATIONS**

2. The Cabinet is asked to:-
- (a) note and approve the movements within the programme;
  - (b) approve the transfer of £50,000 between the Barrhead Sports Centre Refurbishment and Barrhead Learning and Leisure Hub projects; and
  - (c) note the shortfall of £247,000 and that this will be managed and reported on a regular basis.

**CURRENT POSITION**

3.	Total anticipated expenditure (Appendix A)	£ 48,678,000
	Total anticipated resources (Appendix B)	<u>48,431,000</u>
	Shortfall	<u>247,000</u>

**INCOME MOVEMENTS**

4. The main income movements are as follows: -
- i. **Borrowing**  
The level of borrowing required to support the programme has been reduced by £2.854m in line with the overall expenditure reduction on City Deal projects during the current financial year.
  - ii. **Developer Contributions**  
In line with the revised level of expenditure on the Carlibar Park Improvement project the planned use of developer contributions during the current financial year has been reduced by £260,000.
  - iii. **Capital Reserve**  
In response to the overall income and expenditure movements planned use of the reserve during the current financial has been reduced by £100,000.

The above resources remain available to support the expenditure transferred to future years.

## **EXPENDITURE MOVEMENTS**

5. The main expenditure movements are as follows: -

### **Revised Project Timing - Increase**

- i. Education – New Non-Denominational PS For Newton Mearns  
Expenditure on this project was originally scheduled to start during the financial year 2017/18. However in order to coordinate the project with the wider development of the site including private developments, road networks and service sites it was necessary to instruct the design process earlier than anticipated. A provision of £150,000 has been brought forward to the current financial year to fund this work.

This is not a cost increase but an acceleration of expenditure originally scheduled for 2017/18.

### **Revised Project Timing - Reduction**

- ii. Education – Kirkhill PS Rewire  
In order to minimise the disruption to the school this work has been rescheduled and planned expenditure during the current financial year has been reduced by £82,000.
- iii. Regeneration – Country Park Tourism Infrastructure and Economic Activity Projects  
Delays have been experienced as a result of ongoing negotiations with Scottish Water regarding the head lease for Balgray Reservoir. As a result planned expenditure during the current financial year has been reduced by £166,000.
- iv. Regeneration – Carlibar Park Improvements  
This project is being funded by developer contributions. The scheme design is being revised and expenditure of £260,000 will be deferred to 2017/18 with the aim of combining this with external funding awarded by SEPA to fund a larger improvement scheme around the Carlibar Park/Levern Water area.
- v. City Deal – New Link Road From Junction 5 To Barrhead  
The project timescale has been revised to accommodate the ongoing design process and requirement for an ecology assessment. It is expected the main construction contract will be awarded around summer 2017 and planned expenditure during the current financial year has as a result been reduced by £511,000.
- vi. City Deal – Country Park Visitor Centre & Infrastructure  
The location of this project means it is dependent on the progress of the new link road referred to above. As a result of the revised project timescale outlined above, the appointment of the design team has been delayed pending progress with the design of the link road. Planned expenditure during the current financial year has as a result been reduced by £676,000.
- vii. City Deal – Employment Support Linked To Barrhead Foundry  
The scope of this project is currently under review and planned expenditure during the current financial year has been reduced by £135,000.

- viii. City Deal – Eastwood Business Incubator and Innovation Centre  
The purchase of the land for this project is taking slightly longer than anticipated resulting in delays in the appointment of the design team. The acquisition is however nearing completion. Consequently planned expenditure during the current financial year has been reduced by £1.532m.

Expenditure reductions resulting from revised project timing are not cost savings but simply a transfer of expenditure to future financial years.

### **Transfer**

- ix. Culture and Leisure Trust – Barrhead Leisure & Learning Hub/Barrhead Sports Centre Refurbishment  
These two provisions are being managed collectively to deliver a number of improvements to the Barrhead Foundry. In order to fund the cost of the car park improvements £50,000 has been transferred between the two headings. There is no overall impact on the delivery of improvements as a result of this transfer.

### **COMMENT**

6. The projected shortfall of £247,000 represents 0.5% of the resources available and is within manageable limits.

### **RECOMMENDATIONS**

7. The Cabinet is asked to:-
- (a) note and approve the movements within the programme;
  - (b) approve the transfer of £50,000 between the Barrhead Sports Centre Refurbishment and Barrhead Learning and Leisure Hub projects; and
  - (c) note the shortfall of £247,000 and that this will be managed and reported on a regular basis.

### **KEY WORDS**

A report monitoring capital income and expenditure for the General Fund during 2015/16.

Key words: General Fund, capital, monitoring, income, expenditure.

Further information is available from Paul Parsons, Principal Accountant – Capital, telephone 0141 577 3123.

Cabinet Contact: Cllr I. McAlpine, Convener for Corporate Services      Tel. 0141 638 3860
